

Hotel Information

Room reservations are available at the Lancaster Marriott for \$139 per night plus taxes. Reservations can be made by calling 1-888-850-6146 or visiting www.LancasterMarriott.com with the discount code: **POAPOAA**. This rate is not guaranteed for reservations made after February 11, 2017. Rooms are limited.

CE Certification via ARBO

The POA uses the ARBO Tracker mobile application for attendees to quickly certify their course attendance. Optometrists can use the new *OE TRACKER* mobile app to record attendance at continuing education courses and receive instant course credit. The *OE TRACKER* app is available for both iPhone and Android phones. Go to the app store and search for 'OE TRACKER.' Follow the instructions to download the app. Please also make sure that you open the app and have created a user ID and password prior to attending the first CE session. Alternate certification will be available to those who do not have access to a mobile device.

Handouts/Cancellations

The registration fee for the Sunday program includes 8 hours of educational programming, breakfast and lunch. Handouts will be available for download from the POA website two weeks prior to the event. Questions should be directed to the POA office at (717) 233-6455 or Ilene@poaeyes.org. There will be a \$50 cancellation fee if the cancellation is received in writing via fax, mail, or email by February 23, 2017. There is no refund available after that date and no refunds will be issued for no-shows.

POA

presents

A Multi-Faceted Approach to Treating Your Patients

Sunday, March 5

Lancaster Marriott
at Penn Square
25 S. Queen Street
Lancaster, PA 17603

SUNDAY

7:00 - 8:00 AM

Registration

8:00 - 9:40 AM

Is This a Cranial Nerve III Palsy

Dr. Kelly Malloy

You will be exposed to clinical cases to demonstrate varied presentations with combinations of anisocoria, pain, diplopia, and ptosis. You will see how a stepwise approach can be helpful to determine when the presentation may indicate an emergent cranial nerve III palsy versus another less urgent etiology.

9:40 - 10:10 AM

Break

10:10 - 11:50 AM

New Topics in Glaucoma Diagnosis and Treatment with Case Studies

Dr. G. Richard Bennett

This course will present new diagnostic and therapeutic approaches to glaucoma incorporating case studies.

11:50 AM - 12:45 PM

Lunch

12:50 - 2:30 PM

Essentials in Systemic Disease

Dr. Carlo Pelino

This course will examine the ocular findings

COPE approval pending.

of systemic disease. It will also examine how systemic findings and blood work can alter the course of ocular disease.

2:45 - 4:25 PM

Oral Medications in the Optometric Practice

Dr. Carlo Pelino

This course reviews current oral medications and their treatment of specific eye diseases. The classes of medications that will be reviewed are antibiotics, antivirals, and analgesics. Routes of drug administration, pharmacological principles, and FDA classes of safety will also be reviewed.

Please return the completed registration form to the POA by
